

and where the serine portion is in D, L or racemic form, comprising the extraction of said phosphatidylserines from a solution in a hydrocarbon solvent chosen among aromatic and aliphatic hydrocarbon solvents, with a mixture of water and an alcohol solvent.

6. (AMENDED) Process according to claim 1, in which said alcohol solvent is chosen among alcohols containing 1 to 5 carbon atoms.

7. (AMENDED) Process according to claim 1, in which said alcohol solvent is chosen among secondary and tertiary alcohols.

8. (AMENDED) Process according to claim 1, in which said alcohol solvent is isopropanol.

Add new claim 16, as follows:

16. (NEW) Process according to claim 1, in which the said serine portion is in L form.

REMARKS:

Upon entry of this Amendment, claim 5 will have been cancelled, claims 1, 6, 7 and 8 will have been amended, and new claim 16 will have been added. Claims 1-4 and 6-16 will be pending. **Attachment A** to this Amendment sets forth the changes to claims 1 and 6-8 by showing deleted text between brackets and added text being underlined. No new matter has been introduced by this Amendment. Entry and reconsideration are respectfully requested.
